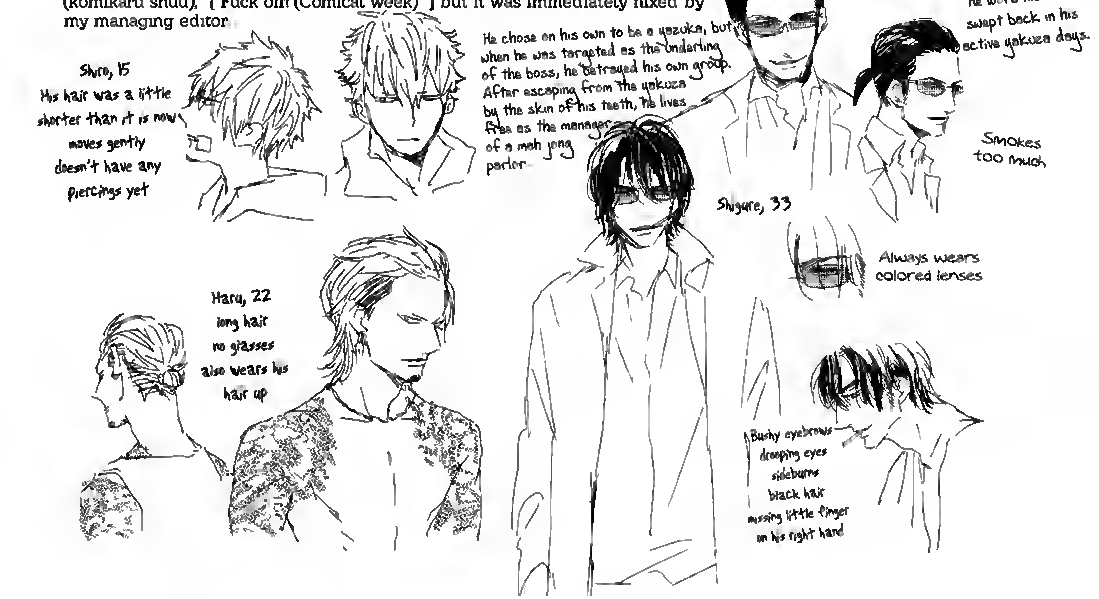
His ears are full of piercing holes
The one he slept with last time
Shiro (25)
He's the kind of guy that's always standing around while spacing out and wearing a Mod-style coat. A faint smile with half-open eyes. His hair is in kind of a bed-head style. Gay, specialist at bottoming.

MODS

This is Natsume Kazuki. Thank you very much for picking this book!
"Natsume-san, you resemble these characters of yours who like wading through muddy waters! (smile)" was the praise (?) I received from my managing editor. In this current work, in which the male prostitute and his attendant were born, when I look back on it, I was always still continuing to correct the storyboard two days before release and thought I would go bald. All in all I was worried for the whole year it was in serialization.
Accompanying me and worrying along with me until the bitter end was my managing editor Mr. Y, for whom I am full of gradtude and love..!
Despite the painful scenes, I am very happy if you enjoyed it even a little bit.
I'd be nice if Tora and Shiro could be together even when they're old..
By the way, before serialization began, the working title was "Katte ni shagare! (komikaru shuu)," ["Fuck off! (Comical week)"] but it was immediately nixed by my managing editor.



Shiro, 15
His hair was a little shorter than it is now
moves gently
doesn't have any piercings yet
He chose on his own to be a yakuza, but when he was targeted as the underling of the boss, he betrayed his own group. After escaping from the yakuza by the skin of his teeth, he lives free as the manager of a mah jong parlor.
He wore his hair swept back in his active yakuza days.
Smokes too much
Shigure, 33
Always wears colored lenses
Haru, 22
long hair
no glasses
also wears his hair up
Bushy eyebrows
drooping eyes
sideburns
black hair
missing little finger on his right hand
